Artist Release:

Richard Savani, 26 years old, is an music producer who is been influenced by the daily life of São Paulo, his city. Always searching for that extra feeling and putting his soul into his productions.

Producing Deep House, Techno, Dub and Minimal, his always looking out for inovations.

Richard mantains partnership in other projects with Maicon Villa the 2HUNDRED for DJ Set and music production with Rodrigo Soria, wich soon they'll do a project for live act. And also has his own project called AEROCLUBE.

He believes music production is the best way to express his feelings. Music is art and a way of life.
